her reductions passed. Net content with restrictions as insider, at an the above, we find that it some of the States they demonsed Sustain management Seaders are supported Congress for their steeling of districtions of the States they demonsed Sustain management of the Window Provins. In 1846 the Descentible Convertion in New Hampharip, passed as recold to the Seaders of the Window Provins, and one of the master splitts of the Congression was been for the Mindowski of the Windowski of the Windo

other States, Democratic State Conventions declared their fixed hostility to the caten

fied, and his motives in so doing impugged ev of the olden time.

The fellow who does duchescon's dirty work in Wisconsin, Jehn Lewis, whose head is said to be less than thirteen inche in eircumference, and who according to phrecologists must be a confirmed and hopeless idiot, has offered a reward of \$100 for the arrest of Booth. The trath is, the

for the arrest of Booth. The truth is, the Democracy do not really want him arrest-ed. He has cost them more trouble than they berguined fee, and the reason he was treated so barnlely, worse than if he had been under sentence of death, for having committed murder, was to compel him either to pay the fine or got upon bit knee to the old regahond of the White Hous-

ser; a.man samous for the exten-avery. Judge Douglas well knew Southern member of Congress yor its rapeal, if he for a sinote

dermin somination in 1888 that to some extens its flowed it upon them. Beyond question, he knive at that time, the explain of the fish-listed Supermen Court, with reference to the right of the control of the fish-listed Supermen Court, with reference to the right of the control of the fisher of the court of the cour

usker of himself, he failed. He come near-r doing Cubinet work than he ofer will

Wisconsin.
Tim don't like the Wide Awakes. and usert use the Wide Awakes. They are a terror to him, and haust him in his la his dreams. When the "live" Republican loops to the Post Office for their mail matter, he pitches into them as though he were the Presidency of the Illinois thimble rig-ger, Tim was so clated, that he hauled from his noticet a handful of the tuniness cards ger, Tuo was so. The trainers earth of the great Chicago both and shee man, Heavy J. Flag, and seening they were bank notes, gave a little boys out to light a benefit with them. Doughs, will doubt less appoint him Onesel to Genno, when he is elected, for that set.

"When he Wide Awskee organized, Time when he Wide Awskee organized, Time when he Wide Awskee organized, Time

tern appeared ann United Georges, means as the Winson for Wilds Awaken cognition, if it were he'd break up the organization much their busymmetric and the strength of the con-traction of the contraction of the con-traction of the con-traction of the contraction of the con-traction of the con-trac

A Sad Prospect.

Seward in Michigan

by the Muchigan papers to speak in that
State—ad Defroit, Lauring and Kalamaroo.
It seems to us, that good policy suggests
that a vast deal of good may be done to the Republican esuse in that State, if Sens-ter Seward would make Niles one of his points of addressing the people, as that points of addressing the people, or that county is really in more danger of heing carried by the opposition than any other county in the lower Founnaula. The State Gentral Committee of Michi-gus should see to this, at once
